DESCRIPTION

The Future Business Computer Institute (FBCI) is a two-week summer program intended to expose and successfully train students in the growing industry of computer technology. The Future Business Computer Institute is funded by Prudential and supported by Academic Foundations and Campus Information and Conference Services. The hands-on curriculum helps students to develop new and advanced existing computer technological skills. The Institute has a long and distinguished history of thirty-five consecutives summers of operation from 1970 to the present. The Future Business Computer Institute (FBCI) is a two-week summer program intended to expose and successfully train students in the growing industry of computer technology.
